# Certificate in Dementia Care:

## QQI Level 5 Supplemental Award

### NOTES:

- Students will require a desktop or laptop computer to undertake the programme. Mobile phones or tablets will not suffice.
- The programme is delivered through LHP Skillnet's Moodle eLearning platform. Students will be sent personal login details to access the programme.
- All live events take place on Microsoft Teams. The link to each live event will be available in the programme on Moodle.
- Students **MUST** complete the self-directed learning activities and pre-recorded tutorials on Moodle relative to a Unit prior to attending the scheduled live tutorial for the Unit.
- Students should expect an average of 3-5 hours per Unit to complete the self-directed learning activities and pre-recorded tutorials.
- The Individual Skills Assessment and related one-to-one feedback takes approximately 20 minutes per student. Each student will be allocated a date and time for their assessment. Students will only attend their own assessment.
