

Practice Management for General Practitioners & Practice Managers

LHP Skillnet are delighted to collaborate on Asumpta Gallagher's new practice management programme, which is designed to help GPs and Practice Managers navigate the challenges of running a successful and profitable Healthcare Practice.

The programme topics are as follows:

- **The Role of the Practice Manager**
- **Practice Policies**
- **Complaints Policy**
 - GDPR
 - Cyber Security
 - Health & Safety
- **GMS & State Scheme**
- **Practice Systems**
 - Managing Finances
 - Staff Management & HR
- **Practice Resources & Technology**
- **Effective Communication – Staff and Patients**
- **Workplace Wellness**

Asumpta Gallagher is a qualified trainer with over 20 years of experience working with GPs and their Practice Teams.

To date, she has delivered training to over 500 GPs, Practice Managers and Medical Receptionists in the areas of Practice Management, PCRS & State Schemes and Medical Receptionist Training.

LHP Skillnet Member Price: €700

Non-member Price: €997
