

Practice Management PLUS

for GPs, GP Assistants & GP Registrars

LHP Skillnet are delighted to collaborate on Asumpta Gallagher's new-for 2023 Practice Management PLUS programme, which is designed to provide newly established GPs, GP Assistants & GP Registrars with the knowledge, skills and tools to confidently embark on a career in General Practice

PRACTICE MANAGEMENT PLUS

This 3-week programme addresses important topics specific to GP Assistants and GP Registrars:

- **Getting Started in General Practice**
- **Setting up in Practice**
- **Managing transition from Employee to Employer**
- **GP Assistants – terms and conditions**
- **Partnership agreements**
- **Setting up and registering for State Contract**
- **Taxation (Guest Experts)**

Asumpta Gallagher is an award winning and highly qualified trainer with over 20 years of experience working with GPs and their Practice Teams.

To date she has delivered training to over 500 GPs, Practice Managers and Practice Staff covering topics including Practice Management, PCRS and State Schemes and customised training to support Medical Receptionists.
