Feature and Benefits of Training with Guardian Safety

Guardian Safety's course instructors are experts in their field and have years of real-life practical experience teaching learners from all backgrounds. We have developed several learner supports over the years thus we can help learners to reach their full potential (literacy, hearing impaired, learning difficulties, etc.). Drop us an email or give us a call and let us know how we can help.

We are also in a position to tailor the training to suit your needs using a wide range of techniques and methods, this being a distinct advantage to our competitors.

We keep your certificate on file. If you ever lose it just let us know and we can email it to you again, without a charge.

On commencement of public courses, each participant will receive access to our online portal, which is filled with many resources related to the course content. For group/private courses access will be provided to the employer.

This learning material is designed to reflect the course content.

Having the material electronically means it can be shared in work and that you will have unlimited use of the Fire Warden-Marshal Instructor material via the portal.

- Training materials include in the Online Portal:
 - Powerpoint presentations
 - Administration documents that include sign-in sheets, course notes
 - Certificate template
 - Videos
 - Appraisal forms
 - Written test, with answers for your own course.
 - Relevant legislation and guidance documents
 - Health & Safety publications

All participants are welcome to come back to us and sit on our public Fire Warden Training courses which are run monthly. You will be given the opportunity to deliver part of the course under the supervision of our experienced instructor. This will enable you to gain valuable experience as an instructor allowing you to reach a high level of competence in a short period of time.

Each learner will receive 2 complimentary online courses Presentation Skills and Fire Marshal.

Certification:

A Guardian Safety Fire Warden-Marshal Instructor Certificate (5-year certificate) is awarded to participants once they have successfully completed the course.

Course Requirements:

Any special needs/requirements should be identified at the time of booking, for example, the learning difficulties of the participant.

Public courses are currently delivered via live video conference through Microsoft Teams/Zoom.

Private training can also be held at your premises or via Live Video Conference through Microsoft Teams/Zoom.

If the course is delivered via video conference:

You will need a PC with audio/video, internet, and enough room (if there is a practical element to the course).

You will receive a teams/zoom calendar invite from the trainer at least 24 hours before the event starts.

Make sure you are running a browser (google chrome, firefox, etc) or the Teams/Zoom application is installed. Please ensure you are using stable broadband when connecting to the course.

It is important that you allow yourself time to ensure that your computer works with Zoom/Microsoft Teams by logging in at least 15 minutes before training starts.

All participants must be fluent in English.
